

Skyline Band Boosters Update

August 7, 2013

3pm, Skyline Band Room

In attendance: Jason Smith, Tyra Lemmen, Amy Colton, Karen Yamada, Stephanie Ritter

A. Band Registration

Volunteers - in need of more parent volunteers - especially for uniform sizing and fitting

Student helpers - we could use a student to help Jane with check in and one to help check that all students have uniform parts before leaving the uniform fitting area (Lizzie and Cassie Ritter have been volunteered)

Spirit wear - Tamara will have a small order (crew sweatshirts, flannel pants, flannel shorts) to sell at registration. A larger custom order is planned for October/November.

Laptops - Jason has the laptop cart (20+ laptops) that we can use for volunteer sign up

SBB/SFA table - we should use the blurb Tyra created for the parent email to make sure we are all describing the SBB/SFA relationship in the same manner

B. Band Camp Welcome Table

Location - Cabutti Field at Interlochen

Jane - will take care of the table/table cover/etc and getting water

C. Skyline Band Parent Buttons

Karen - still looking into getting 2"-3" buttons for parents for performance day at Interlochen

D. Band Director Report/Update

Commissioned piece - for 100 years of band performance; cost \$5000, currently need an additional \$2600 in fundraising is needed to cover this; Symphony band will be participating in performance at Hill Auditorium in the spring

English Horn - Jason would like to have one for the band students to use; costs ~\$10,000

Budget - currently band budget is not balanced; Jason will be working with Karen Yamada to move items to appropriate subaccounts/line items; currently no money in general fund

E. SFA Interfacing

Tamara - committed to being SFA rep and attending monthly meetings; she will let us know if she ever needs one of us to attend in her place

Jason - we discussed that he should need to attend SFA meetings only when band-relevant issues are on the agenda

F. Next Steps

Information/update from SFA:

Amy reported that if band decides to split from SFA, there will need to be an SFA vote. SFA voted at the end of the year that Music and a Meal and the Car Wash will be combined fundraisers, so band is expected to participate. Discussed rotating leadership of event among the divisions (band and choir have already coordinated) and having sign ups designate number of volunteers from each division

Coffee Fundraiser - SFA needs band parent volunteer to coordinate sales from band families; do we want to purchase a 5lb bag to use to brew & sell coffee at our events? Need to let SFA know before their first meeting on September 9th so they can place the order

Other divisions have 2 reps to SFA - band has only one

Winter Drumline - fundraising needed; currently \$900 under budget due to scholarship award and replacement of two harnesses

G. Items for next meeting agenda:

1. SFA Interface
2. Jason Report
3. Discuss and vote on participating in SFA car wash
4. Decide on coffee sales - need to let Amy know by Sep 9
